PROFESSIONAL OVERVIEW

Highly skilled Full Stack Developer with extensive experience in developing scalable web applications using various technologies. Adept at both front-end and back-end development, with a strong emphasis on creating responsive, user-friendly interfaces and robust server-side logic. Excels in collaborative environments and is passionate about delivering high-quality software solutions.

TECHNICAL SKILLS

- **Front-End:** React, TypeScript, JavaScript, jQuery, HTML5, CSS3, SASS/SCSS, Responsive Design
- **Back-End:** Node.js, Express, Java, Python, Firebase Functions, RESTful APIs
- **Database:** Firestore, Realtime Database, SQL, NoSQL
- **Cloud Services:** Google Cloud Platform (GCP), Firebase, Cloud Functions, Cloud Firestore, Cloud Storage
- **Tools & Platforms:** BitBucket, Git, GitHub, Docker, CI/CD, Webpack, Babel
- **Others:** Agile/Scrum, Jira, Trello, Postman, Visual Studio Code, IntelliJ IDEA

WORK EXPERIENCE

Full Stack Developer

Dentsu Creative, Toronto Ontario | 2023 – 2025

- Developed and maintained a robust Content Management System leveraging Typescript, React, Flutter and Firebase.
- Implemented scalable and efficient front-end components to enhance user experience and streamline content management workflows.
- Utilized Firebase and Google Cloud Platform services to deploy and manage the CMS, ensuring high availability and performance.
- Collaborated with cross-functional teams, including product managers and designers, to gather requirements and deliver tailored solutions.
- Employed JIRA for agile project management, tracking progress, and ensuring timely delivery of project milestones.

Full Stack Developer

DevLift Media, London Ontario | 2020 – 2023

- Developed and maintained scalable web applications using primarily React, TypeScript, CSS, and Firebase.
- Implemented responsive UI components and features, ensuring a seamless user experience across devices.
- Worked closely with UX/UI designers to implement pixel-perfect designs and ensure optimal user experience.
- Fostered strong client relationships by collaborating to bring their application visions to life.
- Employed strong usage of various agile development methodologies and project management such as JIRA and Trello to concisely and efficiently conduct tasks.

EDUCATION

Fanshawe College – Diploma - Internet Applications and Web Development – 2020
